

Petition – Increase Workers Compensation to 85%

To the Honourable House of Assembly of the Province of Newfoundland and Labrador in Parliament Assembled

The Petition of the undersigned residents **HUMBLY SHEWETH**;

Whereas this province has the lowest workers compensation rate in Canada at 80% of net income;

Whereas the 2013 Statutory Review panel recommended an increase in workers compensation rates to 85% net;

Whereas WorkplaceNL has had a funded ratio surplus in excess of 110% since 2014;

Whereas employers have benefitted from substantial decreases in assessment rates these past years;

Whereas any increase in the Workers Compensation rate must be legislated through the House of Assembly;

Whereupon the undersigned, your Petitioners, humbly pray and call upon the House of Assembly to urge Government to legislate an increase to the income replacement rate of workers compensation to 85%.

And as in duty bound your petitioners will ever pray.
